

# SIGNAL WORDS **WITH** CAPTAIN PROPELLANT

**PSST...**

Do you know what  
SIGNAL WORDS are?  
Check this out...

| SIGNAL WORD    | MEANING   |
|----------------|---|
| <b>POISON</b>  | highly toxic  |
| <b>DANGER</b>  | may be fatal with short exposure; specialized protective equipment needed |
| <b>WARNING</b> | may be harmful if inhaled or absorbed by contact with the skin            |
| <b>CAUTION</b> | may be irritating   |

When you read the label, you will know what products are safe to buy and use. Remind your parents to buy the safest product possible.

Most product labels tell how good a product is. They can also show how to use the product safely. Know what to look for. The "signal words" can help. They are on the label.
